

ALUMNI SPOTLIGHT

Winnie Uluocha | Lake Forest Academy (2004)

"DMSF inspired me in so many ways and one of them was to help underrepresented students by providing them opportunities that they may not otherwise have"

Winnie will be graduating with her law degree and a master's in Health Administration from the University of Iowa this spring. She was recently awarded the 2018 Philip Hubbard Human Rights Award for her efforts to increase diversity at the University of Iowa since 2016.

In an effort to help underrepresented students attend law school, Winnie has started the Alexander Clark Jr. Endowment (named after the first African American to graduate from the UI law school). This endowment will provide students with a socioeconomic or educational disadvantage the aid they need to visit the law school.
