### College Internship Program - Cohort 3

College Students - interested in taking some career development workshops this summer? Those who join this program will gain experience in:

- Networking Basics + Workplace Etiquette
- LinkedIn
- Interview Prep
  
- Financial Literacy

Part of the program is getting a chance to network with DMSF board members/partners for internships for *next* summer (2020, not 2019). Joining the program does not guarantee a summer internship so you should continue to apply to other opportunities. All years are welcome to apply, but keep in mind that most companies are searching for interns the summer after their junior year of college.

This application is due **Wednesday, May 15**. Please email Angela at [angela@dmsf.org](mailto:angela@dmsf.org) with any questions.
