

# DANIEL MURPHY SCHOLARSHIP FUND

## IGNITE POTENTIAL

NIGHT THURSDAY, SEPTEMBER 27  
5:30-9:00 PM | CITY WINERY

[DMSF.ORG/IPN](https://dmsf.org/ipn)

The Daniel Murphy Scholarship Fund's third annual IGNITE POTENTIAL NIGHT fundraising event provides mingling and fun in a sophisticated atmosphere, all while supporting Murphy Scholars. The cocktails and light bites reception features the premiere screening of a new video, and a Murphy Scholar speaker during a short, mission-focused program.

For 29 years, the Daniel Murphy Scholarship Fund (DMSF) has provided life-changing educational opportunities to Chicago-area students who possess grit, a strong academic record, leadership potential and, most importantly, dreams of graduating from college. Our Scholars, who come from economically disadvantaged families, receive scholarships to quality private high schools and programming support that will, in turn, foster collegiate persistence and lifelong success.

DMSF has supported over 2,600 students since 1989, with over 450 Murphy Scholars currently enrolled in high school. To raise our impact in the community, we plan to increase Scholar enrollment to 500 by the 2020-2021 academic year. This growth initiative represents our commitment to providing educational access for underserved students in Chicago.

**There is no shortage of qualified, bright young men and women and, with your help, DMSF can do more of what it does best – offer even more scholarships and opportunity in the coming years.**
