Report on the Financial Statements

We have audited the accompanying financial statements of the Daniel Murphy Scholarship Fund (the Fund), which comprise the statement of financial position as of August 31, 2015 and 2014 and the related statements of activities and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Daniel Murphy Scholarship Fund as of August 31, 2015 and 2014 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on pages 20 and 21 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

DANIEL MURPHY SCHOLARSHIP FUND

NOTES TO FINANCIAL STATEMENTS

1. Organization and purpose

The Daniel Murphy Scholarship Fund (the Fund) was formed in 1989 to give high school scholarship assistance and educational support to Chicago students from economically disadvantaged backgrounds. The Fund seeks to make a life-altering difference in the lives of its scholars by providing them with the best opportunity to succeed in high school and college.

The following describes the Fund's major programs:

Financial Assistance - The Fund provides scholarships and other financial support to economically disadvantaged Chicago area students, allowing them to attend leading private and parochial high schools in the Chicago area and top boarding schools across the country. During the 2014/2015 and 2013/2014 school years, the Fund served 352 and 348 scholars, respectively. The Fund has committed to supporting 374 scholars in the 2015/2016 school year.

During the year ended August 31, 2015, the Fund initiated a capacity-building campaign, entitled the *Forward to 500* Campaign, pursuant to which it began seeking multi-year pledges to help fund the Fund's growth to 500 scholars in high school by the fall of 2020.

College Counseling - The Fund works with scholars throughout their four years in high school and most intensively in their junior and senior years, assisting the scholars as they search for an appropriate college and for funding to help pay for that college.

Bridge to Excellence - The Fund works with LEAP! Learning Systems and Educational Endeavors to provide two weeks' of mandatory classes for all incoming freshman scholars, focusing on language skills, time management, study skills and critical thinking.

Mentoring - Scholars who wish to participate are matched with an adult mentor for their four years in high school. The Fund also operates an affinity program, in which ten to fifteen students meet every other week with an adult facilitator to discuss issues common to many of the scholars.

Tutoring - The Fund helps find and fund tutors for scholars whose GPAs fall below 3.0 or who seek additional help.

Summer Opportunities, including the Caddie Program - The objective of the summer opportunities program is to present scholars with summer job opportunities, internships, cultural and study abroad programs, sports programs and community service programs. As part of the summer opportunities program, the Fund provides summer golf caddie employment opportunities for scholars. Scholars live in college dorms and caddie at nearby country clubs, earning income, gaining work experience and developing life skills.

2. Summary of significant accounting policies

The significant accounting policies of the Fund are summarized below:

Basis of accounting:

The Fund's financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Basis of presentation:

The financial statement presentation follows the Financial Accounting Standards Board (FASB) Accounting Standards Codification (the Codification) for *Financial Statements of Not-for-Profit Organizations*. Under the Codification, the Fund is required to report information regarding its financial position and activities in three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Unrestricted - Unrestricted net assets are available to finance the general operations of the Fund. The only limits on the use of unrestricted net assets are the broad limits resulting from the nature of the Fund, the environment in which it operates and the purposes specified in its Articles of Incorporation. Voluntary resolutions by the Board of Directors (the Board) and/or Executive Committee to designate a portion of the Fund's unrestricted net assets for specified purposes do not result in restricted funds. Since designations are voluntary and may be reversed by the Board and/or Executive Committee at any time, designated net assets are included under the caption "unrestricted net assets." Board-designated and/or Executive Committee-designated net assets include assets over which the Board and/or Executive Committee retains control and may, at their discretion, subsequently be used for other purposes.

Temporarily restricted - Temporarily restricted net assets result (a) from contributions and other inflows of assets, the use of which by the Fund is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by action of the Fund pursuant to those stipulations, (b) from other asset enhancements and diminishments subject to the same kinds of stipulations and (c) from reclassifications to (or from) other classes of net assets as a consequence of donor-imposed stipulations, their expiration by passage of time or their fulfillment and removal by actions of the Fund pursuant to those stipulations. See Note 12.

DANIEL MURPHY SCHOLARSHIP FUND

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Basis of presentation: (continued)

Permanently restricted - Permanently restricted net assets are assets that have donor-imposed restrictions that stipulate that the contributed resources be maintained permanently but permit the Fund to utilize or expend part or all of the income or other economic benefits derived from the donated assets. As of August 31, 2015 and 2014, there were no permanently restricted net assets.

Unrestricted and restricted revenue and support:

The financial statement presentation follows the Codification for *Accounting for Contributions Received and Contributions Made*. Under the Codification, contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Fund reports donor-restricted contributions and donor-restricted investment gains and income for which restrictions are met in the same reporting period as unrestricted support.

Cash and cash equivalents:

For purposes of the statement of cash flows, cash and cash equivalents includes cash accounts and money market funds readily available for operating activities.

Contributions receivable:

Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Conditional promises to give are not included as support until the conditions are substantially met. The Fund provides an allowance, as needed, for estimated uncollectible contributions.

DANIEL MURPHY SCHOLARSHIP FUND

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Investments:

Investments are held for Executive Committee-designated and donor-restricted endowment purposes.

Investment cash and money market funds are carried at cost, which approximates fair value. All other investments are stated at fair value based on quoted prices in active markets (all Level 1 measurements under the fair value hierarchy). The Fund records donated securities at fair value at the date of donation. Realized and unrealized investment gains and losses and other investment income on Executive Committee-designated endowment investments are reflected in the statement of activities as changes in unrestricted net assets. Investment income and realized and unrealized gains on donor-restricted endowment investments are reflected in the statement of activities as changes in temporarily restricted net assets. Realized and unrealized losses on donor-restricted endowment investments first reduce any realized and unrealized gains reported in temporarily restricted net assets and then are reflected as changes in unrestricted net assets.

Furniture and equipment and related depreciation:

Furniture and equipment are stated at cost or, if donated, at the approximate fair value at date of donation. Depreciation of furniture and equipment is provided over the estimated lives of the assets using the straight-line method (furniture – ten years, equipment – five years). Additions over \$1,000 are capitalized while replacements, maintenance and repairs, which do not improve or extend the lives of the respective assets, are expensed currently.

Deferred revenue:

Proceeds related to special events and other fundraisers that are received by August 31 that will not be earned until after August 31 are recognized as deferred revenue.

Deferred rent:

In accordance with generally accepted accounting principles, the Fund records monthly rent expense equal to total minimum payments due over the lease term, divided by the number of months in the lease term. The difference between rent expense recorded and the amount paid is charged (credited) to deferred rent reported in the statement of financial position.

DANIEL MURPHY SCHOLARSHIP FUND

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Contributed goods and services:

The Codification requires the Fund to recognize as revenue the fair value of contributed (donated) goods and services. During 2015, the Fund was the recipient of donated legal services. During 2014, the Fund was the recipient of donated language skills and speech therapy services related to LEAP! and donated legal services.

Expense allocation:

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Scholar tuition and travel and transportation:

Tuition distribution and scholar travel and transportation expenses are recognized when the number of scholars has been approved by the Fund and when scholarship terms have been met.

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results could differ from those estimates.

Reclassifications:

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

3. Tax status

The Fund is generally exempt from federal income tax pursuant to Section 501(c)(3) of the Internal Revenue Code (the Code) and is a tax-exempt organization described in Sections 501(c)(3), 509(a)(1) and 170(b)(1)(A)(vi) of the Code.

The Fund has adopted the requirements for accounting for uncertain tax positions and management has determined that the Fund was not required to record a liability related to uncertain tax positions as of August 31, 2015 and 2014.

DANIEL MURPHY SCHOLARSHIP FUND

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. Cash and cash equivalents

The Fund maintains a portion of its cash and cash equivalents in bank accounts and brokerage accounts, which are insured by the Federal Deposit Insurance Corporation (FDIC) and Securities Investor Protection Corporation (SIPC) up to insured limits. The Fund maintains a portion of its cash and cash equivalents in a sweep investment account, which is not insured nor guaranteed by the FDIC or SIPC. The Fund's uninsured cash and cash equivalents totaled approximately \$707,000 and \$715,000 as of August 31, 2015 and 2014, respectively.

6. DMSF Endowment Fund

The Fund's endowment consists of three individual funds established to support operations and programs. The Fund's endowment fund includes a fund designated by the Executive Committee to function as an endowment and two donor-restricted funds. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Executive Committee to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Uniform Prudent Management of Institutional Funds Act (UPMIFA) was signed into law in the state of Illinois in 2009. UPMIFA differs from laws previously in place in a few key areas. UPMIFA eliminates the historical dollar value rule with respect to endowment fund spending, updates the prudence standard for the management and investment of charitable funds and amends the provisions governing the release and modification of charitable funds.

The Executive Committee of the Fund has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. The remaining portion of the donor-restricted endowment funds that are not classified in permanently restricted net assets are classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Fund in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Fund considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Fund and (7) the Fund's investment policies.

DANIEL MURPHY SCHOLARSHIP FUND

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

6. DMSF Endowment Fund (continued)

Executive Committee-designated endowment:

Investment funds identified by the Executive Committee to grow in perpetuity, while generating annual spending allowances to support Fund operations and programs, have been designated as an Executive Committee-designated endowment (unrestricted net assets). Investment of endowment funds must follow the Fund's investment policy. Under this policy, the Fund will be entitled to expend an amount that is equal to no more than 5% of the average market value of the Executive Committee-designated endowment over the most recent eight fiscal quarters. In the event that the Fund experiences a deficit in a fiscal year, the Fund can borrow funds from the Executive Committee-designated endowment so long as the amount borrowed never exceeds more than 5% of the average market value of the Executive Committee-designated endowment over the most recent eight fiscal quarters. In such an event, the Fund will be obligated to repay the amount borrowed within three years of the date borrowed. All investment income, including gains on investments, will be reinvested in the Executive Committee-designated endowment.

Composition of and changes in Executive Committee-designated endowment net assets for the years ended August 31, 2015 and 2014 were as follows:

Years ended August 31,	2015	2014

7. Retirement plan

The Fund has a SIMPLE-IRA retirement plan (the Plan) covering all employees who meet the eligibility requirements. The Fund makes matching contributions to the Plan equal to 100% of employee deferrals, up to a maximum of 3% of employee compensation for a calendar year. Contributions to the Plan were \$13,519 and \$11,465 for the years ended August 31, 2015 and 2014, respectively.

8. Donated services

The Fund receives a significant amount of donated services from unpaid volunteers who assist in interviewing, mentoring, fundraising and special projects. No amounts have been recognized in the statement of activities for services of the unpaid volunteers because the criteria for recognition under the Codification have not been satisfied.

The Fund leases its office space under an operating lease.

During the year ended August 31, 2013, the Fund entered into an agreement to lease office space at 309 W. Washington with a term of May 1, 2013 through February 28, 2019 and includes one five-year renewal option. After a three-month abatement of rent in the first year, the agreement calls for monthly payments of base rent (increasing annually). The base rent payment for May has been abated each year through May 2017. In addition, the agreement calls for monthly payments of the Fund's proportional share of common area expenses and real estate taxes.

Future minimum rental payments are as follows:

Year ending August 31:	Amount
2016	\$ 107,944
2017	110,625
2018	123,783
2019	62,866
Total	\$ 405,218

Rental expense, including common area expenses and real estate taxes, for the years ended August 31, 2015 and 2014 was \$112,141 and \$109,568, respectively.

10. Conditional scholarship commitment

Annually, the Fund provides up to \$5,000 of tuition for each scholar and in some situations up to \$2,500 of travel expense for scholars attending a boarding school. Although the Fund awards a four-year scholarship, the Fund's Education Committee reviews each scholar's status at the end of each grading period. The Fund reserves the right to terminate a scholarship for any of the following reasons:

- Grades falling below a 3.0 on a 4.0 scale
- Failure to pay (the scholar family's portion of) tuition and supplementary fees
- Failure to comply with a partnership school's rules and regulations
- Failure to communicate with the Fund's staff on a regular basis
- Family income exceeding the Fund's guidelines of an economically-disadvantaged family
- Transferring to any other school without the permission of the Fund
- Failing to attend mandatory events or fulfill mandatory obligations
